Asha Agarwal

asha.agarwal2@case.edu

Cleveland, OH 44106, USA

Education

- **Case Western Reserve University School of Medicine** *Aug 2026 - Present*
  Ph.D. in Epidemiology and Biostatistics Cleveland, OH
  - Department: Population & Quantitative Health Sciences
  - Research interests: community-engaged research methods, intervention science, adolescent health
- **Oberlin College and Conservatory** *Aug 2022 - May 2026*
  Bachelor's of Arts Oberlin, OH
  - Major: Biology, Minors: Chemistry, Politics [Overall GPA: 3.79, Major GPA: 3.85]
- **Sciences Po** *Aug 2025 - Dec 2025*
  Study Abroad Paris, France
  - Courses in econometrics, law, policy, religion, and education

Work/Internship Experience

- **Prevention Research Center for Healthy Neighborhoods** *Mar 2026 - May 2026*
  Intern Cleveland, OH
  - Recoded qualitative data from the 2025 Cleveland Health Survey and developed new codebook
- **International Fund for Public Interest Media** *Oct 2025 - Jan 2026*
  Intern Paris, France
  - Conduct review of 650+ grantee financial documents to enable new financial analysis process
  - Support Strategy and Risk team to develop policies ensuring grantees' journalist safety, workforce inclusion, and positive environmental impacts
- **Ideastream Public Media** *Jun 2025 - Aug 2025*
  Intern Cleveland, OH
  - Co-produced segments for the local NPR radio program, *Sound of Ideas*, with a focus on health reporting
- **Oberlin Student Finance Committee** *Aug 2023 - May 2025*
  Committee Member Oberlin, OH
  - Co-managed the disbursement of the college's $1.9M Student Activity Fund to student government bodies, organizations, and publications
  - Co-wrote policies guiding allocation of funds and managed student outreach
- **Lorain County Public Health Department** *Jan 2025*
  Intern Oberlin, OH
  - Reviewed and proposed new county public health policies and internal employment policies
- **Lorain County Free Clinic and Charitable Healthcare Network** *Sep 2024 - May 2025*
  Intern Oberlin, OH
  - Acted as a liaison between Ohio state legislators and Lorain County Free Clinic
- **Heliofarm Electric Corporation** *Jun 2018 - Aug 2023*
  Assistant Electrician Sunnyvale, CA
  - Installed roof-top photovoltaic systems as part of a 2-3 person crew
  - Performed electrical panel upgrades and electrical wiring for battery storage systems
- **America Reads and Counts** *Feb 2023 - Jan 2024*
  Tutor Oberlin, OH
  - Tutored K-5 students in math and reading at Westwood Elementary School's after-school program

Research Experience

- **Molecular Biology Lab, Supervisor: Dr. Alex Pike** *Feb 2025 - May 2025*
  Research Assistant Oberlin College
  - Researched role of the winged-helix (WH) domain of the Rfa2 protein in DNA damage repair pathways in *S. cerevisiae*
  - Designed and conducted experiments to mutate WH domain using site-directed mutagenesis techniques and test response to cellular damage from UV exposure

- **Computationional Biochemistry Lab, Supervisor: Dr. Zahra Nikfarjam** *Jan 2024 - Aug 2024*
  Research Assistant Oberlin College
  - Refined QSAR model predicting compatibility of various ligands as drugs for prostate cancer, focusing on the prostate-specific membrane antigen
  - Compiled and analyzed databses on small-molecule ligands and their pharmacokinetic characteristics
  - Simulated ligand-protein interactions using docking software including LeDock and AutoDock

Skills/Languages

- **Programming Languages:** Python, Java, R, LaTeX
- **Web Technologies:** Weebly, Grove, Airtable
- **Languages:** French (Intermediate); Spanish (Beginner-intermediate)
- **Laboratory Techniques:** Biology and Chemistry Wet Lab

Honors and Awards

- **Norman Hill Wright Prize in Biology** *May 2026*
- **Joshua Levitt Memorial Prize for Excellence in Biology** *May 2025*
- **Best Student Life Contribution Award, The Pad Project** *Aug 2023*

LEADERSHIP

- **Oberlin South Asian Students Association:** Co-chair
- **Oberlin Asian-American Alliance:** Officer
- **The Pad Project at Oberlin:** Co-founder
